Dear Craig,

Thank you again from myself and
Daryl for the beautiful fruit basket
that arrived for Christmas! It was
an amazing assortment of fruits (very, very
yummm) and goodies, including chocolate and
hard candy!

Thank you, doesn't seem enough, but
Thank you very much for helping me during
a difficult time. Have a wonderful New Year
both to you and your family! P.S. How did

you do on your mouth?

Love
